VOL. AUGUST 23 2010

## HERE COMES PATV!

PATV has been keeping busy getting ready for our Labor Day Open House. The first thing you'll notice when you stop by is we've been doing some remodelling.

We've also updated our video editing computers to be easier for everyone to use. Most importantly we've been planning the special Labor Day event to be filled with free workshops, a snack-filled producer meet & greet, and the return of PATV's Open Channel. If you haven't heard, Open Channel is a show where you get to sing, dance, and express yourself on Live TV!
